Resource: *Praying for Your Prodigal Daughter Hope, Help & Encouragement for Hurting Parents* (Howard Books a div. of Simon & Schuster) Janet Thompson author. Available at all bookstores, Amazon.com, christianbook.com, simonsays.com, barnesandnoble.com, and signedbytheauthor.com where you can receive an author signed book. We will be working through the book together and discussing the questions at the end of each chapter. Each group member will be journaling in the book and praying personal prayers, so everyone should have his or her own copy of the book.

Are you wondering if your daughter is a “prodigal”? Every parent’s definition will vary, but a daughter who has strayed away from the Lord and/or her parents is not leading the life God had planned for her. Come join us as we find support and encouragement from being together.
